Ecobox laundry products

LAUNDRY 1

Alkaline liquid detergent for mechanical laundry washing. Strong alkaline formula for a powerful action against grease. It must be dispensed using automatic equipment in combination with the product LAUNDRY - 2.

Ecobox 5 L

ECO 2000 L

Scented liquid detergent containing enzymes. Active even at low temperatures. It protects colours and enhances the whiteness of fabrics. Ideal for all types of fabric. Leaves a fresh and exclusive clean scent on garments. Suitable for all types of washing machines.

Ecobox 5 L

SOFT

Scented softener with effective antistatic action. Adds softness and a pleasant fragrance to fabrics. Makes ironing easier.

Ecobox 5 L

LAUNDRY 2

Concentrated liquid detergent with surfactants. Excellent emulsifying and dispersing action. Particularly effective against oil and grease stains. It contains optical brighteners to improve the whiteness. Suitable for any type of fabric. It protects fibres and colours. To be used in combination with LAUNDRY 1.

Ecobox 5 L

SINGULOXY

Active oxygen-based bleach. Mild bleaching agent with additional disinfectant action. It guarantees excellent bleaching results even at low temperatures. Ideal for bleaching delicate and coloured fabrics.

Ecobox 5 L

LAUD LANA

Concentrated liquid detergent for delicate garments. Specifically designed for washing wool, silk and delicate fabrics. Gives excellent results even at low temperatures. It prevents felting and preserves the natural elasticity of the fibres. Protects fabric colours. It leaves a pleasant fragrance on the garments.

Ecobox 5 L
