Neutral rinse additive for dishwashers. A product formulated to achieve excellent shine and drying results on all types of dishes. Recommended for medium hard water.

 Carton of 4 x 5 kg bottles

 10 - 25 kg Jerry can

DESAN DRY HS

Concentrated liquid rinse additive for commercial use. It contains powerful surfactants that make water run off before it evaporates to ensure stain and streak-free results on glassware and silverware. Specially for treated water with a high content of dissolved mineral salts.

 Carton of 4 x 5 kg bottles

 10 - 25 kg Jerry can

Hand dishwashing detergents

LEMON

A neutral liquid detergent for dishwashing by hand and general cleaning. A surfactant-based concentrated solution that will remove and eliminate grease and even dried-on food residues without leaving a trace. Gentle on the hands because it is pH neutral with a delicate lemon scent.

 Carton of 4 x 5 kg bottles

LEMON PAT

Super-concentrated, lemon-scented, liquid detergent for washing dishes and hard surfaces by hand. High-power degreasing and washing formula. Neutral pH formula to protect hands.

 Carton of 4 x 5 kg bottles

 10 - 25 kg Jerry can

PIATTI 25

Super-concentrated, lemon-scented, liquid detergent for washing dishes by hand. High-power degreasing and washing formula. Neutral pH formula to protect hands.

 Carton of 4 x 5 kg bottles

 10 - 25 kg Jerry can

GLX SUPER

Multi-purpose powder detergent for washing by hand. Ideal for washing glassware, dishes, cookware and kitchen utensils in general. Thanks to its low-foam formula, the product is easy to rinse and can also be used in ultrasonic machines.

 15 kg bucket

CLOR AMMOLLO

Chloractive liquid detergent, recommended for soaking glasses, cups, dishes, pots, pans and all commonly used kitchen utensils. It eliminates unpleasant odours with high-performance removal of tea, coffee, fruit and lipstick stains normally found on cups and glasses, while at the same time it disinfects dishes excellently.

 10 kg Jerry can

Descaling agents & Co.

ACID 41

Liquid acid descaler for dishwashers and kitchen equipment. A phosphoric acid and surfactant base.

 Carton of 4 x 6 kg bottles

 12 kg Jerry can
