

Laundry

Automatic washing

LAUNDRY 1

Alkaline liquid detergent for mechanical laundry washing. Strong alkaline formula for a powerful action against grease. It must be dispensed using automatic equipment in combination with the product LAUNDRY 2.

 25 kg Jerry can

LAUNDRY 2

Concentrated liquid detergent with surfactants. Excellent emulsifying and dispersing action. Particularly effective against oil and grease stains. It contains optical brighteners to improve the whiteness. Suitable for any type of fabric. It protects fibres and colours. To be used in combination with LAUNDRY 1.

 25 kg Jerry can

OXIGEN

Hydrogen peroxide-based liquid bleach with additional disinfectant action. Particularly effective on body stains. It must be dispensed using automatic equipment.

 25 kg Jerry can

NEO CLOR CL 12

Concentrated liquid hypochlorite bleach, particularly effective on stubborn stains. It must be dispensed using automatic equipment.

 25 kg Jerry can

OXONIL A

Peracetic acid-based product. Eliminates all types of stains even at low temperatures. Enhances whiteness while protecting fabric fibres. Can be used with all types of fabric (including coloureds).

 25 kg Jerry can

ECO 2000 L

Scented liquid detergent containing enzymes. Active even at low temperatures. It protects colours and enhances the whiteness of fabrics. Ideal for all types of fabric. Leaves a fresh and exclusive clean scent on garments. Suitable for all types of washing machines.

 25 kg Jerry can

ECO 2000 BLU

Scented liquid detergent for hand and machine washing. Excellent cleaning and emulsifying power. Washes all types of dirt from 30°C to 60°C. Removes stains without harm to colours and fibres. Suitable for all types of fabric.

 25 kg Jerry can

LAUD LANA

Concentrated liquid detergent for delicate garments. Specifically designed for washing wool, silk and delicate fabrics. Gives excellent results even at low temperatures. It prevents felting and preserves the natural elasticity of the fibres. Protects fabric colours. It leaves a pleasant fragrance on the garments.

 25 kg Jerry can

Automatic washing

SOFT

Scented softener with effective antistatic action. Adds softness and a pleasant fragrance to fabrics. Makes ironing easier.

 25 kg Jerry can

SINGULOXY 150

Active oxygen-based bleach. Mild bleaching agent with additional disinfectant action. It guarantees excellent bleaching results even at low temperatures. Ideal for bleaching delicate and coloured fabrics.

 25 kg Jerry can

NEUTRALIT AF

Liquid additive for acidifying rinse water in commercial washing machines. It softens laundry and neutralises chlorine residues that may have been used for bleaching.

 25 kg Jerry can
